Full Circle Management, LLC has partnered with First Advantage to assess the credit worthiness of its applicants based on a model designed by First Advantage and Full Circle. When scoring credit, the First Advantage model will take into consideration several variables to determine an applicant's willingness and ability to pay their rent. The First Advantage model has been specifically developed to assess credit worthiness of applicants in the multi-family industry. The following are a few examples of the variables First Advantage will take into consideration:

Income to Rent Ratio, Income to Payment Ratio (Revolving Debt), Number of Recent Credit Inquiries, Average Age of Trade Lines, Revolving Debt to Limit, Percent of Bank Card Trades Relation to Total Trades, Total Trade Lines, Percent Never Delinquent, Bureau Scores, Number of Major Derogatory Trade Lines, Economic Trends, Payment Histories, Accounts in Collection. A combination of all the variables is what determines the First Advantage score.

If any applicant takes exception with any findings, the applicant is solely responsible for making any corrections and reapplying.

If your application is "accepted with conditions" or "declined," you will be given the name, address, and telephone number of the consumer reporting agencies that provided your consumer information to us. Medical collections are not taken into account.

An application will be automatically declined if the applicant has an open bankruptcy within the past 12 months.
